

### HAWAII FOREST & TRAIL OPENS NEW ADVENTURE HUB IN HILO

HILO, HAWAII – (March 23, 2016) ~ Hawaii Forest & Trail has moved into its new activities and adventures storefront location at 224 Kamehameha Highway in historic downtown Hilo. With its century-old wooden storefronts and small-town heritage, Hilo Bayfront is the perfect fit as Hawaii Forest & Trail expands its adventure and retail offerings.

"Our goal in moving to this prime location is to make adventure and activity booking easier for our customers in Hilo. Hawaii Forest & Trail is now embedded in the vibrancy of downtown Hilo. We want to further our community engagement while connecting our tour guests to unmatched, inspirational experiences reflecting all the wonder Hawaii has to offer," said Director of Sales and Marketing Jason Cohn. "The new Hawaii Forest & Trail storefront is a perfect, convenient location for visitors and local residents."

Hawaii Forest & Trail's just-opened downtown Hilo storefront draws in visitors and residents with a relaxed setting that befits its sense of place. The popular Hilo Tropical Waterfalls adventure treats guests to stunning waterfalls where one can swim or kayak under a 120-foot private waterfall. This instant hit is just one of the big adventures that visitors can book at the new location. Helicopter adventures aboard Paradise Helicopter or Blue Hawaiian Helicopters and amazing coastal and ocean tours with Lava Ocean Tours can also be booked here for one-stop convenience.

While there, shop Hawaii Forest & Trail specialty logo items, hammocks, outdoor wear, and a popular line of Adidas water shoes, perfect for any Hilo river adventure.

# Hawaii Forest & Trail Beginnings

A little over two decades ago, Rob Pacheco, who had worked as a naturalist on the US mainland, recognized that most residents and visitors were seeing Hawaii's beautiful scenery, yet they were coming and going with little knowledge of Hawaii's natural history. Pacheco decided to combine his passion with a vision: to share Hawaii's natural history with others and to help conserve Hawaii's endangered environment through education. This vision

fit the growing worldwide interest in eco-tourism and over 20 years ago Hawaii Forest & Trail opened to rave reviews.

From their initial rainforest bird walk, Rob and Cindy Pacheco have expanded nature and big adventures to include exploring in and around Hawaii Volcanoes National Park, stargazing on Maunakea, waterfall adventures and hikes, specialized birding excursions and private customized adventures. In 2011, the Pachecos founded Kohala Zipline in North Kohala, the only canopy tree-to-tree zipline on Hawaii Island.

In 2015, Hawaii Forest & Trail expanded its headquarters in Kona, opened a Hilo-based operation and has now launched its storefront in historic downtown Hilo.
